Count Me in 2020!

When I am counted, I bring resources to my community.

What is the Census?

Every 10 years, people across the country fill out the Census in order to have an accurate count of all people in the United States. All of us get counted, and we all count.

Why Take the Census?

The Census is safe, protected, and confidential. The Census helps allocate California's federal funding for vital community programs and services that support our families and neighborhoods, and helps determine fair political representation in California and Washington D.C.

Every person who is counted, brings resources to California! That money is used to:

- Build Better Roads and Schools
- Fund Community Programs For Seniors, Children and Families
- Create Jobs
- Improve Housing

ALL CALIFORNIANS COUNT. TAKE THE CENSUS.
