 - i. We are spending less on technology approximately (\$8,500.00). We still are paying for Illuminate and Learning A-Z. Staff will be surveyed to see if Learning A-Z will continue to be used if we purchase it. There will be a pilot for Nearpod for 1-month (TK-6th) cost is \$4K for a site license.
 - ii. Money not spent can go to Instructional supplies. Some Site Control and Title 1 was not spent; it will carry over -around \$12K. Question: Are student materials available? Will we be sending home packets and are students allowed to return packets to teachers, school? Maybe we can send a kit with benchmark, writing, pen, & paper. Teachers may take home whatever is needed to teach at home.
 - iii. There is an interest in Google classroom with teachers. It seems easier to work with and it is free. Sweetwater teachers are using it. It must have an administrator's approval (Bree). Most teachers that are using it and like it.
